Jim Surguy, senior UK partner at Results International and a highly respected industry figure, is to retire after 11 years in the marketing communications sector.

Surguy has held roles on both the client and agency side of the business, previously working for companies including Unilever, Lonsdale Advertising, KLP, Interpublic and Mosaic Investments.

He has been a senior member of many of the sector's trade bodies, and aims to maintain his relationship with the industry.

Graham Beckett, chief executive of Results International, comments: "Jim has made a terrific contribution to bringing our business to the position it now holds as the pre-eminent corporate finance firm operating in the marcoms space. Jim will be missed by everyone here at Results, both as a wonderfully supportive colleague and as a friend."
